

Shark Nets by Holly Bleeden

I think its bad to put shark nets upon beaches. It makes no cense sine the sharks can swim under the 20ft net and the net still has 32ft till the ocean floor. If the net catches a female shark, 80 pups will die. The people put the shark nets up, should bring them down and close the beach and swim somewhere else. I know the people check the nets every day but, its usually to late.

Sharks are a dying species, and we need to do everything we can to help them. People kill hundreds of sharks a day. We need sharks for our marine eco-system. If we don't stop killing

sharks, and we keep putting up shark nets, sharks can completely die out.

"It's likely to have significant social and economic benefits for the fish hook area, and would meet the needs of the cities perspective of implementing safety measures that meet the needs of our communities while not negatively impacting on our rich, marine environment" said Ald Walker.

Ald Walker has no idea how shark nets **are** negatively impacting our marine environment. Our marine environment is dying not just because of shark nets, but because of all of the oil spills, and carelessness of people throwing garbage in our oceans. Shark nets are killing our marine ecosystem and we need to help.

No School Uniforms

By Anthony Saucedo

Should school uniforms be allowed in public schools? Well my opinion is no, school uniforms should not be allowed in public schools. Here are my reasons. Well first the main reason is that everybody likes being unique. My second reason is what if you have a special event at your school and you want to look your best but you have to wear the dumb uniforms.

Quotes

Constitution: Every person has the right to be free. In this case away from school uniforms.

William Allen White: liberty is the only thing you cant have unless you give it to others.

Should student be paid after they get good grades?

By Ana Ceja

Getting money to buy that new pair of sneakers you do well on that test. Do you think students should get paid for good grades. In my opinion, I think that students should get paid for doing well on tests. Students should get paid because they will be more focused on school work and they will have better behavior.

One of them is more focus on school.

Second reason is they'll have better behavior. I think the teacher should pay the students about \$20 dollars to \$30 dollars so they can buy something they will like.

My opinion is they should get pay because the students are doing all the work and the y don't get any reward. So that's way they should start paying the students. They eat breakfast in the morning. They come to school in time. They wont be sick all the time. They wont be absent. They do school homework and they turn it in, in time

Students with cellphones ?

By: Rodolfo Rodriguez

Should students be allowed to have cellphones in elementary school and high schools? Yes . Students should be allowed to have cellphones in elementary schools and high schools. or if you need to call someone in emergency . I think that students should have cellphones because it's a way to talk to people. I think that students should have cellphones because you could text and call .How about if your parents forgot to pick you up. That's why students should have cellphones. Bob Lezenerthinks that students should have cellphones because a cellphone may be very important. Bob Lezener thinks that students should have a cellphone because it could be incase of a big emergency .

Should students be allowed to have cell phones in elementary and high school?

Should kids be allowed to have cell phones in elementary and high school? Yes I think students should be allowed to have cell phones in elementary and in high school. Because if a student sees a fire starting and the kid is alone in the hallway/classroom the kid could just get his/her phone and call the police.

And sometimes if there's a fire and the kid is alone in detention and the kid could just get his/her phone and call the police

The student could just use the phone as a studying tool. But only if they need help with a question or work on the work that the teachers give the students.

And some of the mom's might get worried. And some mom's want to know how there child is doing and if their child is fine.

"Vicki Davis says that the kids could use the phone to stay more organized ". I picked this quote because it could help the students be more organized.

WHY PENNIES ARE A NUISANCE TO OUR ECONOMY

BY JOSHUA CONTE

HAVE YOU EVER SAT AND THOUGHT ABOUT OUR ECONOMY? DID YOU EVER THINK, WHY ARE WE LOSING SO MUCH MONEY THE ANSWER IS PENNIES!!!! THAT PENNIES THE PRICE TO MAKE ONE PENNY IS FIVE CENTS. THAT IS OUTRAGEOUS. SO TECHNICALLY YOU ARE MAKING SIX PENNIES BUT YOU ONLY GET ONE. SO THAT MEANS IF YOU MAKE 1,000 PENNIES IT WILL COST \$50 TO MAKE THEM. THAT IS \$40 MORE DOLLARS THAN IT'S NATURAL VALUE.

OUR ECONOMY IS ALREADY LOSING MONEY LEFT AND RIGHT. THESE PENNIES ARE DIGGING US DEEPER AND DEEPER INTO A BIG A HOLE OF DEBT. THE MINT MAKES 20.27 MILLION PENNIES A DAY. IF THE PENNIES WERE ELIMINATED HALF THE WORK WOULD BE REQUIRED. SO THE WORKERS CAN GET THEIR WELL-DESERVED TIME OFF, AND OUR AIR WON'T GET POLLUTED. CHARITIES WILL GET MORE MONEY. USUALLY IF YOU SEE A CHARITY THAT WANTS MONEY YOU PUT IN A PENNY. BUT IF WE ELIMINATED PENNIES THEN YOU WOULD HAVE TO PUT IN A NICKEL OR A DIME. CANADA GOT RID OF

PENNIES AND THEY DID VERY WELL.
SO WHY SHOULDN'T WE? A LOT OF
PEOPLE THINK THAT PENNIES ARE
GOOD BUT WHAT THEY DON'T
REALIZE IS THAT WERE LOSING
MONEY AND FAST. I BELIEVE THAT
PENNIES SHOULD NOT BE ALLOWED
ANYMORE.

SHOULD COLLEGE ATHLETES GET PAID

Do you think that college athletes should get paid? Well I think that they should because the school gets lot of money. They get lot of money from events that they win. That helps them pay for there tuition. That should at lest a little of it so they can finish college.

When a college wins an event. They gets more then a million dollars. Arch griffin was a collage football player. Sine's he was so good they offered him money. So he could pay for his tuition so he could play. Then they can pay there lone for collage. Then get a good job. Bob lezezer .He got money so he could buy supplies Then he got a good job.

It would help them get supplies. That would help then get a good education. That would them finish college.

That is my opinion that college athletes should get paid.

**Should school start
Early in the morning?
By Susana Tecalero**

Should school start early in the morning?

**In my opinion, school should not start early in
the morning for many reasons. First teenagers
need more sleep than adults do. Sleep helps
your brain to learn. Students and teenagers
will be more focused In school if they get more
sleep.**

Another reason why I think school should not start early is that will give teenager free time. Teenagers could use the time in the morning to help there parents, get a jobs, do there homework, or they could relax and hank out with friend. Also I agree that teenager should get more sleep.

Are sox better than the cubs by

Kenny Harvey

Are the sox better than the cubs My opinion is yes, because the sox have pitched two perfect games since they became a team the cubs never did that. Barack Obama saying good job when they pitched a perfect game Barack Obama saying good job called the sox never called the cubs. The sox won more world series than the cubs by 3 I think. The sox have hit 2x as much homeruns than the cubs like Paul

konerko long ago, and the sox have
2,000 more face book followers than
the cubs. Are the sox better than the
cubs now? Yes I hope I changed your
mind and if I didn't there

SHOULD STUDENTS BE PAID FOR GOOD GRADES

BY: JESSIKA RUZGA

Should students be paid for good grades? I think yes because students will be encouraged to get more good grades, study, not miss classes, and they will stay in school.

It will encourage them to get more good grades if, they know they will get money. They will be a honor roll student in middle school.

It will encourage them to study more, when they get money for good grades. They will study to get more good grades to get money.

It will not want to miss classes. Like if there in middle school they wont miss classes.

It will encourage them to stay in school and not skip school. They wont hide under there bed or in there closet to stay away from school.

To conclude students should get money for good grades. Then they will get good grades, study, stay in school, and not miss classes. A authors comments. " The reason I wrote this piece is to persuade not to put there opinion in about should students get paid for good grades. My opinion is I feel they should. What about yours?"

Why Students Should Be Allowed To Have Cell Phones At School!!!

By Noelia Reyes

Do you think that students should be allowed to have cell phones at school. From my opinion is yes. That's my opinion because, there can be an emergency and you can call "911" if you needed too. To not disturb your class you can have the phone on silent or vibrate or even off. One other reason that students should be allowed to have cell phones at school is because, the parents maybe wanted their son or daughter to call them and make sure that they got to school safe. If you ask me if a child should have a cell phone at school I will answer yes without any hesitation. I think children today need a cell

phone simply for safety sake. There are phone plans and parental restrictions to suit all needs. In todays world, a cell phone can be confiscated by faculty.

Watching Too Much TV Is Bad!!!!!!

By: Jaelynn Contreras

Do you think watching too much TV is bad???? My opinion is yes I think watching too much TV is bad for you for these reasons. One of my reasons is because it can lead to obesity. It can also get you blind because if you get too close and watch TV too much it can damage your vision. Instead of watching TV you can read a book, or you can go outside and play with your friends, or ride a bike. Another reason is that the TV has too much violence, and too much fighting. "I find television very educational", Every time someone switches it on, I go into another room and read a good book", said Groucho Marx. When I sit and watch TV for a long time I feel tired and my eyes start to hurt a little bit. That's why I think watching too much TV is bad.

Should People Go To Zoo's???

By: Vanessa Campos

Should people go to zoo's? No. People should not go to zoo's. Because people capture animals for people to watch them for a few minutes . My opinion is that People who are capturing animals should STOP!!! "Weather or not it's valid to say zoos keep species alive depends on what you are talking about" Says Animal Welfare Family Scientist Georgia Mason. Animals should have a free life with their family!! The people who work in the zoo cut birds wings so that they won't fly away. They feed animals food that they don't like. Imagine yourself being separated from your

family and being fed YUCKY FOOD EVERY
SINGLE DAY!!!!!!!!!! You won't like that right???

Same animals SO STOP GOING TO ZOOS

ANIMALS SHOULD BE FREE!!!

Books Are Better Than Movies

By: Magda Zarebski

Are books better than movies? Yes, I believe books are better than movies. First of all when you read a book, it describes what the person is thinking or wearing, than what you see on a screen. Movies are part of watching T.V and damages your eyes and brain. To much T.V can make you go to school asking what's 2+2? A book helps you relax and have a brighter imagination. Movies don't give as much detail as a book. When you watch a movie you cant enjoy it as long as a book. A movie is about 2 hours long and a book is one week to enjoy. You'll be tempted to read the next chapter tomorrow. Warren Ellis quotes "The book is almost always better than the movie." Elvis Presley quotes "T.V is bad for the brain." Follow the characters footsteps. Guess. If you look at a

screen you cant think and do what you believe is fun. Again, I believe books are better than movies.
